Upon checking the status of this application in the USPTO, it was noted that an Office Action was mailed on October 21, 2005 to Applicant's *former* attorney of record, and this Office Action has not been received by the Applicant's current attorney of record (who signs below). Please note that a Revised Power of Attorney / Change of Correspondence Address was filed on August 19, 2004 with a Certificate of Mailing in accordance with 37 CFR §1.8 (copy follows), and is known to have been received by the USPTO, as evidenced by the USPTO's return of a postcard filing receipt to the undersigned attorney (copy follows). By his/her signature at the end of this document, the party who executed the Certificate attests that he/she personally knows that the Response was timely mailed.

Since a request for change of attorney and correspondence address was timely and properly submitted and the USPTO erroneously mailed the Office Action to the wrong attorney and correspondence address thereafter, please furnish a copy of the Office Action to the proper attorney and correspondence address, with the period allowed for response restarted.

I certify that this paper is being facsimile transmitted to the U.S. Patent and Trademark Office as follows:
